Highlighting the very best from FSS!

AIC Monique Bailey

AIC Monique Bailey distinguished herself as the January 2011, 30 FSS Warrior of the Month for her on-and-off duty contributions to the installation and squadron. As the subject matter expert for evaluations, she is the main focal point for Commanders within the 30th Space Wing on all OPRs/EPRs.

During this timeframe, she filled in as the acting NCOIC, leading a two man team in proof-reading and processing 84 evaluations ensuring that all member's records were updated with AFPC in a timely manner and 100% accurate. Also during this period, Monique volunteered one weekend

as a designated driver for the AADD, ensuring the safety of the community and AF families. In addition, she was hand-selected by the MPS Chief as a Squadron physical training leader (PTL) for the FSS leading 10 robust aerobic physical training sessions for 40+ squadron active-duty personnel.
